RE: SENATOR SHARON BROOME

“District 15 State Senator Sharon Weston Broome (left) presents a check for \$2,200 to Julia Moore, the director of Sisters Supporting Sisters, an organization consisting of breast cancer survivors providing critical resources for African-American women battling breast cancer. As part of Breast Cancer Awareness Month, Senator Broome made the donation in honor of her late mother, Mrs. Lucille Fuller Weston, who survived breast cancer for 15 years after diagnosis.”
