

# **OVW Sexual Assault Services Formula Grant Program**

## ***Frequently Asked Questions***

As of 1/27/2010

**Q: May funds be used to support services to children?**

A: Yes funds may be used to support projects that focus on direct services for children who are victims of sexual assault. Services rendered to children do not have to be in connection to serving an adult parent and there is no age restriction on providing services to children.

**Q: Are state sexual assault coalitions eligible to apply for SASP Formula funding?**

A: Yes, state sexual assault coalitions are eligible subgrantees, if they propose to provide direct sexual assault victim services.

**Q: Are states/territories required to submit implementation plans?**

A: No, implementation plans are not required for the SASP Formula program.

**Q: Do subawards have to be for a 24 month project period?**

A: No, subawards may be made for shorter project periods at the discretion of the administering agency. However, subawards must not be made for longer than the 24 month award made to the administering agency.

**Q: Does the process for making subawards have to be competitive.**

A: No, the process may be competitive or non-competitive at the discretion of the administering agency. However, if the administering agency chooses a noncompetitive process, it should ensure that sufficient protections against fraud, waste, or abuse of the funds are in place.

**Q: May funds be used to support projects that include education and prevention activities?**

A: No, funds may not be used for education and prevention. However funds may be used for outreach to inform persons about the services provided by a specific program. For example, a program could use pamphlets, brochures, or community presentations to announce the services available under the grant.

**Q: May funds be used to support projects implemented by child advocacy centers?**

A: Yes, child advocacy centers and other programs and projects are eligible to apply for this funding stream; however, funds must be used to support direct intervention and related assistance. The intent of this program is to enhance core rape crisis services. Funds may not be used for prosecution or law enforcement projects such as forensic examinations or forensic interviewing.

**Q: Are volunteer related expenses allowable under this program?**

A: Yes, supporting these activities would be allowable. Examples would include training and supervision of volunteers.

**Q: Are governmental agencies that provide rape crisis services eligible to apply?**

A: No, only rape crisis centers and other nonprofit, non-governmental organizations may receive funds from these grants.

**Q: Is there a limitation on the types of sexual violence SASP funds may be used to address?**

A: Funds may be used to address intimate partner; stranger and non-stranger sexual assault; as well as adult, adolescent, and child sexual violence. Both male and female victims may be served.

**Q: May SASP funds be used to address domestic violence?**

A: Yes, but only if the reason for providing the services is sexual violence. For example, funding could support accompaniment of the victim for a sexual assault forensic medical exam, but could not be used to support a general domestic violence-related crisis shelter.

**Q: May SASP funds be used for advocate training?**

A: The funds may be used to train advocates (volunteer or employee) that will provide specific grant-funded services, but may not be used to provide a generalized statewide training.

**Q: May funds be used for general professional training (i.e. for law enforcement, mental health, prosecutors etc.)?**

A: No, funds may not be used for general training nor may funds be used to develop training curriculums.

**Q: May grantees serve adult survivors of child sexual abuse or other survivors of a non-recent assault?**

A: Yes. There are no limits on when the assault must have occurred.

**Q: May Sexual Assault Nurse/Forensic Examiner programs be funded?**

A: No. SASP funds cannot support activities that are conducted by or inherent to the criminal justice system such as sexual assault nurse/forensic examiner programs, law enforcement investigations, and/or prosecution of sex crimes. However, SASP funds can support advocates from non-profit, non-governmental agencies accompanying a victim through any aspect of the criminal justice system.

**Q: May Sexual Assault Response Teams (SART) be funded?**

A: No. However, if an advocate position is funded under the grant, the advocate's time in attending SART meetings may be covered as part of the advocacy he or she provides.

**Q: May SASP funds support a hotline?**

**A: Yes, to the extent the hotline is for sexual assault victims. If the hotline covers a broader array of issues, the costs should be pro-rated according to the percentage of calls that are for sexual assault. In order for a multi-issue hotline to receive SASP funds, the people who answer the hotline would need to have sexual assault specific training.**

**Q: Are women's only or men's only support groups allowable?**

**A: Yes, assuming that the gender-specificity is for therapeutic reasons. Services should be available for victims of both genders.**

**Q: How long is "short-term counseling?"**

**A: Up to one year.**

**VIOLENCE AGAINST WOMEN AND DEPARTMENT OF JUSTICE  
REAUTHORIZATION ACT OF 2013 (VAWA 2013)**

**SEXUAL ASSAULT SERVICES PROGRAM (SASP)**

**PURPOSE:**

- To assist States and territories in providing “intervention, advocacy, accompaniment, support services, and related assistance for adult, youth, and child victims of sexual assault, family and household members of such victims, and those collaterally affected by the victimization, except for the perpetrator of such victimization.”
- In doing so, States and territories can award subgrants to rape crisis centers or other nonprofit, nongovernmental organizations that provide “direct intervention and related assistance” to victims of sexual violence.

**STATUTORY REQUIREMENTS:**

- Set forth procedures designed to ensure meaningful involvement of the State or territorial sexual assault coalition and representatives from underserved communities in the development of the application and the implementation of the plans;
- Set forth procedures designed to ensure an equitable distribution of grants and grant funds within the State or territory and between urban and rural areas within such State or territory; and
- Identify the State or territorial agency that is responsible for the administration of programs and activities.

**PRIOR TO THE SASP FORMULA PROGRAM SOLICITATION:**

- First, begin the process of identifying which state agency will be responsible for administering the SASP Formula Program.
- Second, begin the conversation as to how the State will meaningfully involve the sexual assault coalition and representatives from underserved communities in the development of the SASP Formula Program application and implementation of the plans. It is strongly encouraged to seek input from our State’ sexual assault coalition and representatives of underserved communities and include them in the conversation.
- Third, seek input from your State’s sexual assault coalition as you establish procedures for administering the SASP Formula. In order to strengthen the capacity of the sexual assault coalition to assist local rape crisis centers, we may wish to consider passing the funds to the sexual assault coalition and allow it to administer the SASP Formula Program. Most state coalitions have a strong knowledge of the rape crisis programs in the state and the unmet needs of victims, which could be served through the SASP Formula Program.

activity funded with DOJ grant funds; rather, such religious activity must be separate in time or place from the DOJ-funded program.

- **Note:** Faith-based and community organizations are eligible to apply for SASP Formula subgrants. However, all nonprofit, nongovernmental organizations must apply through their respective State for such funding.
- SASP funds are designed to supplement other funding sources directed at addressing sexual assault at State level.
- Rape crisis centers and other nonprofit organizations such as dual programs providing both domestic violence and sexual violence intervention services play a vital role in assisting sexual assault victims through the healing process, as well as assisting victims through the medical, criminal justice, and other social support systems.

#### **SASP SPECIFIC INFORMATION:**

- The federal award period for these grants is twenty-four (24) months.

#### **PROGRAM SCOPE:**

Again, the purpose of the SASP Formula Grant Program is to provide intervention, advocacy, accompaniment, (e.g., accompanying victims to court, medical facilities, police departments, etc.), support services and related assistance to:

- All victims of sexual assault, without regard to the age of the individual;
- Family and household members of such victims; and
- Those collaterally affected by the victimization, **except** for the perpetrator of such victimization (e.g., friends, coworkers, classmates).

#### **PURPOSE AREAS**

- To support the establishment, maintenance, and expansion of rape crisis centers and other programs and projects to assist those victimized by sexual assault.
- 24-hour hotline services providing crisis intervention services and referral;
- Accompaniment and advocacy through medical, criminal justice, and social support systems, including medical facilities, police, and court proceedings;
- Crisis intervention, short-term individual and group support services, and comprehensive service coordination and supervision to assist sexual assault victims and family or household members;
- Information and referral to assist the sexual assault victim and family or household members;

## UNALLOWABLE ACTIVITIES

- SASP grant funds cannot be used to support sexual assault forensic examiner projects or criminal justice activities (e.g., law enforcement, prosecution, courts, forensic interviews).
- Lobbying;
- Fundraising;
- Research projects;
- Physical modifications to building, including minor renovations;
- Sexual Assault Forensic Examiner projects;
- Criminal justice-related projects, including law enforcement, prosecution, courts, and forensic interviews; and
- Providing domestic violence services that do not relate to sexual violence.

## REQUIRED PERFORMANCE MEASUREMENTS

- **OBJECTIVE**  
Strengthen partnerships for safer communities and enhance the Nation's capacity to prevent, solve, and control crime.
- **PERFORMANCE MEASURES**
  1. The number of victims receiving requested services funded by the grant.
  2. The number of victim advocates supported by the grant.

# OVW Sexual Assault Services Formula Grant Program (CFDA 16.017)

## Overview

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders and others, OVW grants help provide victims with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to hold offenders accountable for their crimes.

## About the OVW Sexual Assault Services Formula Grant Program

The Sexual Assault Services Program (SASP) was created by the Violence Against Women and Department of Justice Reauthorization Act of 2005 (VAWA 2005), 42 U.S.C. §14043g, and is the first federal funding stream solely dedicated to the provision of direct intervention and related assistance for victims of sexual assault.

Women and men of all ages, as well as children, can be victims of sexual assault. The perpetrator can be a relative, acquaintance (e.g., boyfriend/girlfriend, friend, coworker, neighbor), or a stranger. Nearly half of all women and 1 in 5 men have experienced some form of sexual violence in their lifetime. Also, nearly 1 in 5 (18.3%) women and 1 in 71 men (1.4%) in the United States have been raped at some time in their lives.<sup>1</sup>

For many victims, it may take years to recover from the physical and psychological trauma caused by rape and other forms of sexual violence. To heal from the trauma, survivors often need support from family and friends, as well as critical direct intervention and related assistance from victim-centered social service organizations such as rape crisis centers, through 24-hour sexual assault hotlines, crisis intervention, and medical and criminal justice accompaniment.

The Sexual Assault Services Formula Grant Program (SASP Formula Grant Program) directs grant dollars to states and territories to assist them in supporting rape crisis centers and other nonprofit, nongovernmental organizations or tribal programs that provide core services, direct intervention, and related assistance to victims of sexual assault. Rape crisis centers and other nonprofit and tribal organizations, such as dual programs providing both domestic violence and sexual violence intervention services, play a vital role in assisting sexual assault victims through the healing process, as well as assisting victims through the medical, criminal justice, and other social support systems. Funds provided through the SASP Formula Grant Program are designed to **supplement** other funding sources directed at addressing sexual assault on the state and territorial level.

The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T. on February 6, 2014**. ***Applications submitted after 11:59 p.m. E.T. on February 6, 2014 may experience a delay in receiving funding.*** Applicants experiencing difficulties submitting an application should refer to the Experiencing Unforeseen Technical Issues section on page 11 of this solicitation.

**Failure to begin the registration or application submission process in sufficient time is not an acceptable reason for a late application submission. It is important that applicants do not wait until the day of the application deadline to begin the application submission process. To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline.**

**Note:** For applicants without Internet access, who cannot submit an application electronically, please contact Kim Cortez at [Kimberly.A.Cortez@usdoj.gov](mailto:Kimberly.A.Cortez@usdoj.gov) no later than **January 23, 2014** to request permission to submit an application by alternative means.

### Registration

Applicants must follow the registration process outlined below. **There is no fee associated with the registration process. Additionally, the registration process cannot be expedited.** OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a Data Universal Number System (DUNS) Number, register online with the System for Award Management (SAM) and with GMS immediately, but no later than **January 23, 2014**.

Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company Dun & Bradstreet (D&B).

Once you have completed the D&B registration, your DUNS Number should be available the next business day.

In Fiscal Year (FY) 2012, the System for Award Management (SAM) replaced the Central Contractor Registration (CCR) as the government-wide registry for vendors doing business with the federal government. **All applicants must register with SAM and renew their registration annually.** The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information.

Applicants must be **registered and current** with the SAM registration and with GMS prior to submitting an application. Applicants should begin the process immediately to meet the GMS registration deadline, especially if this is the first time using these systems. It is strongly recommended that applicants begin the registration process no later than **January 23, 2014** in order to ensure that the registration process is completed and any difficulties are resolved well in advance of the application deadline. For more information on the process of registering with SAM and GMS, please see the How To Apply section on page 9.

## **Eligibility**

It is very important that applicants review this information carefully. Applications that are submitted by ineligible entities will not be considered for funding.

### **Eligible Entities**

Eligible entities for this program are:

- Any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, American Samoa, Guam, and the Commonwealth of the Northern Mariana Islands, which are hereafter collectively referred to as states and territories.

## **Award Information**

Applicants that receive an award are bound by statute, federal regulations, the provisions of this solicitation, the OVW Financial Guide, any updates to the Financial Guide, and any conditions of the recipient's award.

### **Availability of Funds**

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through the SASP Formula Grant Program is no longer available.

### **Award Period**

The grant award period is 24 months.

### **Award Amounts**

By statute, OVW will award not less than 1.5 percent of the total amount appropriated for the SASP Formula Grant Program to each state and the District of Columbia and Puerto Rico. The United States Virgin Islands, American Samoa, Guam, and the Commonwealth of the Northern Mariana Islands will be awarded a base amount of .25 percent of the total appropriated amount. Funds remaining after the allocated base amounts will be distributed among the states and territories according to population. The most accurate and complete data compiled by the United States Bureau of the Census are used to determine the populations.

## Program Scope

Activities supported by the SASP Formula Grant Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the OVW Financial Guide, any updates to the Financial Guide, and the conditions of the recipient's award.

### Purpose Areas

Overall, the purpose of the SASP Formula Grant Program is to provide intervention, advocacy, accompaniment (e.g., accompanying victims to court, medical facilities, police departments, etc.), support services, and related assistance to:

- Adult, youth, and child victims of sexual assault;
- Family and household members of such victims; and
- Those collaterally affected by the victimization (e.g., friends, coworkers, classmates), **except** for the perpetrator of such victimization.

In FY 2014, funds under the SASP Formula Grant Program may be used for the following purposes:

- To support the establishment, maintenance, and expansion of rape crisis centers and other nongovernmental or tribal programs and projects to assist those victimized by sexual assault, without regard to the age of the individual.

SASP Formula grants shall be used by states and territories to provide grants to rape crisis centers<sup>2</sup> and other non-profit, nongovernmental organizations or tribal programs for programs and activities that provide direct intervention and related assistance. Intervention and related assistance may include:

- 24-hour hotline services providing crisis intervention services and referral;
- Accompaniment and advocacy through medical, criminal justice, and social support systems, including medical facilities, police, and court proceedings;
- Crisis intervention, short-term individual and group support services, and comprehensive service coordination and supervision to assist sexual assault victims and non-offending family or household members;

---

<sup>2</sup> The term "rape crisis center" means a nonprofit, nongovernmental, or tribal organization, or governmental entity in a state other than a territory that provides intervention and related assistance to victims of sexual assault without regard to their age. In the case of a governmental entity, the entity may not be part of the criminal justice system (such as a law enforcement agency) and must be able to offer a comparable level of confidentiality as a nonprofit entity that provides similar victim services. 42 U.S.C. § 13925(a)(25).

- Information and referral to assist the sexual assault victim and non-offending family or household members;
- Community-based, culturally specific services and support mechanisms, including outreach activities for underserved communities; and
- The development and distribution of materials on issues related to the services described in the previous bullets.

**Note:** The SASP Formula Grant Program emphasizes the establishment, maintenance, and expansion of rape crisis centers and other nonprofit, nongovernmental organizations, such as dual programs addressing domestic violence and sexual assault, for the provision of direct intervention, core services, and related assistance to adult, youth, and child victims of sexual assault. **Under the SASP Formula Grant Program, grant funds cannot be used to support sexual assault forensic examiner projects or criminal justice activities (e.g., law enforcement, prosecution, courts, or forensic interviews).** OVV recommends that states and territories, in partnership with their state and tribal sexual assault coalitions, consider the array of needs of all sexual assault victims and available services in their state or territory when developing their implementation strategies.

#### **OVV Priority Areas**

**In shaping their strategies for FY 2014, OVV encourages states and territories to develop and support projects that:**

- Support rape crisis centers in providing direct intervention and related assistance.
- Support dual programs that provide sexual assault and domestic violence services to enhance their provision of direct intervention and related assistance tailored for victims of sexual assault.
- Retain core services for victims of sexual assault.
- Increase support for underserved populations, particularly communities of color, in a culturally appropriate manner, with a special emphasis on addressing the African-American, tribal, and Lesbian, Gay, Bisexual, and Transgender (LGBT) communities, as well as individuals with disabilities and Deaf individuals.

#### **Accommodations and Language Access**

Applicants are encouraged to allocate grant funds to support activities that help to ensure individuals with disabilities and Deaf individuals and persons with limited English proficiency have meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services, language interpretation and translation services, or the purchase of adaptive equipment. Applicants proposing to use grant funds to create websites, videos and other materials must ensure that they are accessible to persons with disabilities. Grant funds must be allocated for these purposes.

#### **Activities that Compromise Victim Safety and Recovery**

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

- Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical

health condition, criminal record, work in the sex industry, or the age and/or gender of their children;<sup>3</sup>

- Procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVV-funded services;
- Crafting policies that deny individuals access to services based on their relationship to the perpetrator;
- Developing materials that are not tailored to the dynamics of sexual assault or the culturally specific population to be served;
- Crafting policies or engaging in practices that impose restrictive conditions to be met by the victim in order to receive services (e.g., counseling, seeking an order for protection); and
- Crafting policies that require the victim to report the sexual assault to law enforcement.

### **Out-of-Scope Activities**

The following activities are out of program scope and will not be supported by the SASP Formula Grant Program funding:

- Research projects (This does not include program assessments conducted only for internal improvement purposes. See section on Research and Protection of Human Subjects in the FY 2014 Solicitation Companion Guide at <http://www.ovv.usdoj.gov/docs/companion-guide-10-16-12.pdf>.)
- Sexual assault forensic examiner projects
- Activities focused on prevention efforts (e.g., bystander intervention, social norm campaigns, presentations on healthy relationships, etc.)
- Criminal justice-related projects, including law enforcement, prosecution, courts, and forensic interviews
- Domestic violence services that do not relate to sexual violence

### **Unallowable Activities**

The following is a list of activities that are unallowable and cannot be supported by SASP Formula Grant Program funding.

- Lobbying
- Fundraising
- Purchase of real property
- Construction
- Physical modifications to buildings, including minor renovations (such as painting or carpeting)

## **How to Apply**

This section describes how an application should be submitted. Applicants should anticipate that failure to meet all registration and submission deadlines may result in a delay in receiving funds. It is the responsibility of the applicant to ensure that the application is submitted by the deadline.

---

<sup>3</sup> If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section on "VAWA Non-Discrimination Provision" under "Post-Award Requirements" on page 14.

Applicants must follow the registration process outlined below. **There is no fee associated with the registration process. Additionally, the registration process cannot be expedited.** OVW strongly discourages applicants from paying a third party to register on their behalf, or as an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a Data Universal Number System (DUNS) Number, register online with the System for Award Management (SAM) and with GMS immediately, but no later than **January 23, 2014**.

Applicants must be registered and current with the SAM registration and with GMS prior to submitting an application. It is strongly recommended that applicants begin the registration process immediately, but no later than **January 23, 2014** in order to ensure that the registration process is completed and any difficulties are resolved well in advance of the application deadline. **It is important that applicants do not wait until the day of the application deadline to begin the application submission process. To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline.**

#### **Application Registration Requirements**

It is very important that all applicants read this section carefully. Applicants are responsible for ensuring their applications are complete at the time of submission.

Each applicant must obtain a Data Universal Numbering System (DUNS) number, be registered in the System for Award Management (SAM) and submit their application online via the Grants Management System (GMS) according to the instructions. Applicants are encouraged to submit their applications 48, but no less than 24, hours before the deadline to allow sufficient time to address technical problems. Applicants should ensure that the DUNS number for the application is for an organization that is eligible to apply for the grant program. Also, only the organization that is registered in SAM may use that DUNS number to submit an application.

#### System for Award Management (SAM)

Applicants for all federal grants are required to register with the System for Award Management (SAM). If the applying organization already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applying organization does not have an EIN, then **the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet**. Follow the steps listed below to register in the SAM:

*Step 1:* Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call (866) 705-5711.

*Step 2:* Access the SAM online registration through the SAM home page at <https://www.sam.gov/> and follow the online instructions for new SAM users.

*Step 3:* Complete and submit the online registration. If the applying organization already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. **Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status. (Applicants formerly used the Central Contractor Registration (CCR) database).**

### Grants Management System

Applicants are required to submit applications through the Office of Justice Programs' Grants Management System (GMS) instead of Grants.gov. In order to apply for a grant through GMS, go to <https://grants.ojp.usdoj.gov/> and either sign in using the applicant's current GMS ID and password or register as a new user. Once the applicant has logged into GMS, they should select the program that they intend to apply for and follow the instructions. Training materials are available on the main GMS homepage.

### **OVW Policy on Duplicate Applications**

If an applicant submits multiple versions of an application, OVW will review the most recent version submitted.

### **Experiencing Unforeseen Technical Issues**

As previously stated, applicants should begin the **registration process** immediately, but no later than **January 23, 2014**. Furthermore, the applicant should begin the **application submission process** 48, but no later than 24, hours prior to the application deadline. This will allow for sufficient time for the applicant to contact the appropriate individuals and take corrective action, as outlined in this solicitation, should unforeseen technical issues arise. If technical difficulties are experienced at any point during the application process, the applicant must contact OVW GMS Support at 1-866-655-4482, Monday through Friday, 9:00 a.m. to 5:00 p.m. E.T.

If an applicant experiences unforeseen technical issues that prevent them from submitting an application by the deadline, they must take the following actions:

- contact Kim Cortez at [Kimberly.A.Cortez@usdoj.gov](mailto:Kimberly.A.Cortez@usdoj.gov) prior to the application deadline stating that they are experiencing unforeseen technical issues; and
- contact the technical support number above prior to deadline.

### **Extraordinary Natural or Manmade Disasters**

In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or terrorist acts, applicants may request to submit applications up to seven calendar days late by sending an e-mail to the contact listed in the solicitation. The message should specify the nature of the disaster and how it affected the applicant's ability to submit an application on time.

## **Application Contents**

This section describes what is included in a complete application package. **Applicants should anticipate that failure to submit an application that contains all of the specified elements may result in the delay of the processing of the award. Furthermore, it may also result in the inclusion of special conditions that preclude access to or use of award funds pending satisfaction of the conditions. It is the responsibility of the applicant to ensure that a complete application is submitted by the deadline.**

**Do not submit documents in addition to those specified in this solicitation. Please note that any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.**

The following documents should be included with your submission. Failure to include any of the information may result in the inability to access funds.

### **Confidentiality Notice Form**

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. The acknowledgement form is available on the OVW website at <http://www.ovw.usdoj.gov/docs/conf-acknowledgement.pdf> and must be signed by the authorized representative and uploaded to the application on GMS.

The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in Block 3 of the Overview section of the GMS application.

## **Post-Award Requirements**

### **Violence Against Women Act Non-Discrimination Provision**

The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all FY 2014 OVW grants. This provision prohibits OVW grantees and subgrantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. More guidance on this provision will be forthcoming and made available on the OVW website. Additional information on the civil rights obligations of OVW funding recipients can be found in the FY 2014 Solicitation Companion Guide under "Civil Rights Compliance."

### **Nonprofit Organization Requirement**

Any entity that is eligible for a SASP Formula subgrant based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Code. See 42 U.S.C. § 13925(b)(16)(B). State and territorial agencies administering SASP Formula funds are responsible for ensuring that SASP subgrantees that are eligible as nonprofit organizations meet this requirement.

### **Compliance with OVW Financial Requirements**

Each OVW grantee agrees to follow the financial and administrative requirements in the OVW Financial Grants Management Guide at <http://www.ovw.usdoj.gov/docs/ovw-fgmg.pdf> as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the Guide, the grantee may be denied access to funding.

### **Conference Planning and Expenditure Limitations**

Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance is available at <http://www.ovw.usdoj.gov/grantees.html>. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

- Cost of Logistical Conference Planning
- Cost of Programmatic Conference Planning
- Conference Space and Audio-Visual Equipment and Services
- Prohibition on Trinkets at Conferences
- Entertainment at Conferences
- Food and Beverages at Conferences

Updated Department of Justice and OVW guidance on conference planning, minimization of costs, and conference cost reporting is accessible on the OVW website

<http://www.ovw.usdoj.gov/grantees.html>. For additional information regarding food and beverage

regulations, please refer to the OVW Financial Grants Management Guide at

<http://www.ovw.usdoj.gov/docs/ovw-fgmg.pdf>.

### **Federal Financial Guidelines**

Federal grants are governed by the provisions of the OMB circulars applicable to financial assistance and the OVW Financial Grants Management Guide, which can be found at <http://www.ovw.usdoj.gov/docs/ovw-fgmg.pdf>. The Financial Grants Management Guide includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. This document outlines the successful administration of grant funds.

Any recipient of an award will be responsible for monitoring subgrants/contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, OMB circulars and guidelines, and the OVW Financial Grants Management Guide. Primary recipients will be responsible for oversight of subgrantee/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

### **Food and Beverage/Costs for Refreshments and Meals**

Generally food and beverage costs are **not** allowable, and under no circumstances may OVW funding be used to supply food and/or beverages during refreshment breaks. OVW may approve the use of OVW funds to provide food and/or beverages for a meal at a meeting, conference, training, or other event, if one of the following applies:

- The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
- Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
- A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
- Other extenuating circumstances necessitate the provision of food.

### **High Risk Grantees**

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met.

### **Program Assessments**

Applicants may not use any OVW funds to conduct research. However, up to three percent of the budget may be allocated for the purpose of assessing the effectiveness of funded activities. For example, funds may be used to conduct pre- and post-testing of training recipients or for victim satisfaction surveys. In conducting such testing or surveys, grantees may not collect, analyze or disseminate any information that would disclose the identity of an individual.

### **Reporting Requirements**

All OVW grantees receiving awards are required to submit an annual progress report and quarterly federal financial reports. Appropriate forms will be provided to all applicants selected for an award.

### **Information for All Federal Award Grantees**

Applicants selected for awards must agree to comply with additional legal requirements upon acceptance of an award. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. Additional information for each requirement can be found in the FY 2014 Solicitation Companion Guide at

## Public Reporting Burden

### Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. We try to create forms and instructions that are accurate, can be easily understood, and which impose the least possible burden on you to provide us with information. The estimated average time to complete and file this form is 30 hours. If you have comments regarding the accuracy of this estimate, or suggestions for making this form simpler, you can write to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

At present, there are twelve sexual assault centers, also known as rape crisis centers, in thirteen locations throughout the state, namely, in Amite, Baton Rouge, Bogalusa, Houma, Jefferson, Lafayette, Lake Charles, Many, Monroe, New Orleans, Opelousas, Ruston, and Shreveport. These Centers diligently work to provide direct intervention and critically related assistance to women who are victims of sexual assault. Six of the Sexual Assault Centers are dual programs providing services to both sexual assault and domestic violence victims. The "dual" Centers are located in Houma, Jefferson, Lake Charles, Many, Monroe, New Orleans, and Shreveport. Some Sexual Assault Centers have satellite or branch offices, in addition to their main office, which are staffed on a full-time basis, in an effort to ensure sexual assault victims, are served in those parishes in which there is no sexual assault center.
